Nyjia Scott

Web Developer

(843) 330-3186 • nkscott97@gmail.com • http://nyjiascott.com http://linkedin.com/in/nyjia-scott • http://github.com/nks397

WHY I WANT TO BE HERE

I am passionate about creating projects that improve the user experience. I am confident my skills and values would be an asset to a company. It would be an honor to have the opportunity to be a part of a team.

HOW I CAN ADD VALUE

I am empathetic and an effective communicator. I am a self-motivator with adaptability. I provide care for others, but my true passion is producing dependable and beautifully designed websites that make lives easier.

My areas of expertise include front-end web development. I also have experience in backend development. My **technical skills** include:

HTML. CSS. JavaScript. React.js. Node.js. Express.js. MongoDB. Mongoose.js. GitHub. Debugging

WHAT I'VE LEARNED

Certification of Web Development, V School

DEC 2020 - JULY 2022

Bachelor's in Healthcare Administration,

Francis Marion University Aug 2015 - May 2019

PROJECTS I'VE DONE

HotZone

github.com/V-School-Module-7/firehouse-app | TECHNOLOGIES: React, CSS, Firebase

Collaborate with a team of 3 developers to test and build features for a website for the Lehi Fire
Department using CSS, React, and Firebase. Follow agile methodology to deliver features in a timely
manner.

Diary Buddy

github.com/mod-5-james-nyjia/diary-buddy | TECHNOLOGIES: React, CSS, Node, Express, Mongoose, MongoDB

 Partnered with a developer to build, test, and deploy a diary application. Developed over 3 features using React, CSS, Node, Express, Mongoose, and MongoDB.

TriviaBreak

github.com/nks397/TriviaBreak | TECHNOLOGIES: React, CSS

• Independently produced a quiz application using React, CSS, and a third-party API. Presented 3 categories the user can choose from and executed a creative solution to decode the encoded API.

WHERE I'VE BEEN

Full Stack Javascript Teaching Assistant V School 7/1/2022 - Present

 Advised, mentored, and facilitated up to 15 students per week in an online learning web development course. Coached students in identifying problems related to their code and partnered with them to find solutions using the problem-solving process. Provide daily support and collaboration to a team of 4 instructors.

Personal Care Assistant Private Client 11/2020 - Present

 Assist and oversee activities of daily living, such as bathing, dressing, grooming, preparing and serving meals, and general housekeeping. Responsible for monitoring client's vital signs, and administering medications. Coordinated a schedule with the client that provided structure and produced better habits. Clear and constant communication with the client to address needs. Collaborate to formulate 112 weekly schedules over a 2 year span. Escorted the client to 2 doctor's appointments yearly.

Freelance Artist Private Clients June 2014- October 2016

 Created over 10+ projects for various events. Executed artwork on scheduled deadlines and communicated effectively to fulfill over 5 clients' needs.
